Do you have what it takes?

- 1) Two years phone sales experience
- 2) History of closing clients and securing payments over the phone
- 3) Self-motivated to work from home
- 4) Interested in helping people get back on track in life

If not, then we sincerely would wish you the best in your endeavors however if that was a current description of you then read on.....

We are The Capital Protection Group....an ATTORNEY DESIGNED debt settlement company truly unlike any other.

We have a "for sure" superior product/service compared to traditional debt settlement, proven sales system and unlimited potential clientele. If you can get on the phone to ask for money and are a TRUE closer then we need to talk.

Review the following site thoroughly

I will be very up front here stating we are very selective in whom we choose to represent Capital Protection Group. So, please email me your resume and tell me why you have the right stuff
